

OPTIONAL PRACTICAL TRAINING (OPT) PROCESS

Revised November 2019

ISS handouts do not constitute or replace professional legal advice, and you should not rely on them solely when making decisions about your immigration status or reporting requirements.

Optional Practical Training (OPT) is for F-1 visa holders only. OPT is a benefit, not a right. It is an opportunity to gain temporary work experience in a **field directly related to your academic major(s)**. The ISS only *recommends* OPT, and the United States Citizenship and Immigration Services (USCIS) must *adjudicate* it. To be eligible, you must be in “good standing” with US Immigration and Customs Enforcement (ICE), and you must have been enrolled full time for the previous academic year. You are eligible for a total of 12 months of OPT per education level. Individuals who have majored in Sciences, Technology, Engineering, or Mathematics (STEM) are *possibly* eligible for an additional 24 months of OPT STEM Extension, and this extension is applied for in conjunction with their employer (who MUST be e-verified).

Employment through OPT is limited to positions that are related to your major field of study and your degree level (Bachelor’s). You may **not** begin employment or even volunteer until you have received your Employment Authorization Document (EAD). Employment is allowed **only** within the period of authorized dates on the EAD.

- **Pre-completion OPT** must take place in addition to full-time enrollment. You may request OPT on a part-time basis (up to 20 hours per week) during your studies, or on a part-time or full-time basis during break periods. *Due to the timing and expense, Pre-completion OPT is almost never done at Wooster.*
- **Post-completion OPT** begins after your program end date (graduation date). Employment must be full time, which is defined as at least 20 hours per week.

APPLICATION TIMELINE

- You may apply up to 90 days prior to the completion of your program (cannot apply earlier) and up to 60 days following your program end date (*this is never recommended*). The OPT application must be properly filed with the USCIS within 30 days of the date that we prepare your I-20 for OPT.
- You can select the starting date of employment any time within 60 days after your program completion (graduation) date. It cannot be more than 60 days from program completion.

PLEASE NOTE:

International students graduating in May will only be able to stay in campus housing until July 1st (no exceptions).

August potential graduates need to move out of their space the first Monday following the posted deadline for the submission of summer grades. August graduates may petition to stay past this date. International student petitions will be reviewed by the Dean of Curriculum and Academic Engagement, Director of Residence Life, and Director of International Student Services.

- Within 3-4 weeks after applying, ISS **should** receive an I-797 Receipt Notice in your name. We will scan a copy and send to you through e-mail. KEEP this notice! This receipt notice does not mean that the application was approved, but it does provide proof that the application was filed. Follow all the instructions on the receipt notice.

The Receipt Notice will contain a receipt number associated with your application. Check the status of your application at the USCIS web site: <https://egov.uscis.gov/casestatus/landing.do>; Enter your receipt number. After 75 days you may use that this website to “Submit a Case Inquiry” to ask about the status of your application. We also recommend that you sign-up for email updates at the address noted on your receipt.

- The EAD will come to ISS, and should arrive within approximately 90-120 days of the notice date on your I-797. **We will make a photocopy for our records and then contact you through your Wooster email account to ask that you pick it up in person or it can be sent to you using eShip Global** (you will be responsible for charges).
- ISS will not monitor your application timeline. It is up to YOU to contact us if you do not receive the I-797 or the Employment Authorization Document (EAD) in a timely manner.
- **Do NOT keep your EAD card in your wallet.** Treat your EAD like you treat your passport. If you lose it, you must refile the application and pay another filing fee.

OBLIGATIONS WHILE USING OPT

- While you are in the U.S. on Optional Practical Training, you are still an F-1 student of The College of Wooster for SEVIS purposes, and **you are required to submit the following survey to ISS and update the office of any changes in information as long as you are in the U.S.**
<https://selectsurvey.wooster.edu//TakeSurvey.aspx?SurveyID=ISSAlumniSurvey>
- USCIS will send you a link for the SEVIS student portal – be sure to create your login and password and update the system with any address or employment changes.
- Unemployment: During any 12-month period of post-completion OPT no student may be unemployed for an aggregate of more than **90 days**. **You are expected to leave the country once you meet the 90 day mark.**
- If you pursue graduate studies following OPT, please arrange with Wooster and your graduate school the transfer of your SEVIS record. Your authorization for OPT ends on the “transfer release date”.

FREQUENTLY ASKED QUESTIONS

1. **How long does the application process take?** Adjudication should take approximately 90 days; however, this is subject to several factors, and the processing time can be shorter or longer.
2. **When can I start to work?** You may start after you have your EAD and once the employment authorization date (shown on the EAD) has arrived.
3. **May I change employers if I have OPT?** Yes. OPT is not employer specific. You are allowed to work for more than one employer or change employers provided that the new job is directly related to your area of academic study. It is recommended that you maintain evidence – for each job- of the following information: (i) position held, (ii) proof of the duration of the position, (iii) job title, (iv) contact information for your supervisor, and (v) a description of the work. It is further recommended that you obtain a signed letter from your hiring officer or job supervisor stating how your academic degree is related to the work performed.
4. **Must I pay taxes when I am working on OPT?** You are likely subject to local, state, and federal income taxes. While on OPT, however, you may still be eligible for tax treaty benefits, and you may still be exempt from Social Security and

Medicare tax, depending on your residency for tax purposes. Refer to the Substantial Presence Test in IRS Publication 519.

5. **May I travel outside of the U.S. after I have applied for or secured OPT?**

A. While your application for OPT is PENDING

Although the regulations allow you to travel outside of the U.S. and re-enter the country to search for employment with a pending OPT, you must be certain that you return before your EAD card is issued or you will *forfeit your OPT*. This is very risky because you do not know when your OPT will be approved. Therefore, you are advised **NOT** to leave the U.S. while your OPT is pending.

B. After your OPT has been APPROVED but BEFORE YOU HAVE A JOB OFFER

(Whether you've received the EAD card or not)

Do **NOT** leave the country. If your OPT has been approved and you depart the U.S. before getting a job, your OPT ends and you cannot reenter unless you have a written employment offer.

C. After your OPT has been APPROVED and YOU HAVE A JOB OFFER

(Whether you've received the EAD card or not)

You may travel outside the U.S. You should be prepared to present:

1. SEVIS I-20 endorsed by a DSO within **6 months**;
2. Valid F-1 entry visa; if your visa is expired you will have to renew it before your return
3. A passport that is valid for at least 6 months into the future;
4. Valid EAD card or Receipt Notice Form I-797; and
5. An offer letter on company letterhead indicating you are/will be employed, including specific dates of employment.

6. **May I travel outside the US if my visa has expired?** You may leave the country, but you will need to visit a U.S. consulate abroad to apply for a new F-1 visa before returning. Some consular posts may not grant a new student visa in this situation. Please note: "automatic revalidation" may be available if you travel to Canada or Mexico (you most likely will need a visa to enter Canada).

7. **May I return to graduate school immediately after completing OPT?** Yes. You need to complete the USCIS procedures for school transfer through SEVIS. Wooster's ISS must release your electronic record so that you can obtain an I-20 from your new school. You may transfer during the 60-day grace period following post-completion OPT, as long as the transfer release date occurs within the grace period. Please contact ISS regarding these procedures.

8. **If I have OPT for 1 year and return to school for another degree, am I eligible for another year of OPT?** You are eligible for a maximum aggregate period of 12 months of optional practical training per educational level. Individuals in STEM degree areas should contact ISS for information on applying for a STEM extension.

9. **May I take classes while I am using OPT?** Yes and No. A class "on the side" is not a violation of your OPT. OPT is terminated when you begin studying towards another degree or at another educational level.

10. **How long can I stay in the United States after my OPT expires?** Assuming you have remained in compliance, you have a grace period of 60 days within which you must do one of the following: (i) leave the U.S., (ii) complete a SEVIS transfer to another higher education institution, or (iii) complete a change of status. In accordance with the "cap-gap" rule, effective April 2008, F-1 individuals who are the beneficiaries of a timely-filed H1-B petition that has been approved by, or remains pending with USCIS, are granted an extended period of stay and work authorization. The extension of status and work authorization terminates on October 1 of the fiscal year for which the H1-B visa has been requested. If you are the subject of an H1-B petition, please contact ISS for additional information.

CHECKLIST

Please make an appointment with ISS and have all items below completed and prepared BEFORE your appointment (incomplete OPT Packets will be delayed).

Form I-765 needs to be completed and signed. You can download the form at <http://www.uscis.gov/files/form/i-765.pdf> and enter the data. If you choose to handwrite the information, please use black ink. We recommend filling in the form on your computer, as it is much easier to correct if an error is made. Bring a printed copy of your completed I-765 form to your appointment with ISS. Please note the following with respect to the Form I-765:

- **DO NOT USE eFile.**
- Item #27: The code for post-completion OPT is (c) (3) (B).
- Use the following as your application address (we will forward your EAD on to you if you are not on campus when it arrives):

In care of:
1189 Beall Avenue/CDI
Wooster, Ohio 44691

Previous I-20s – photocopies of first and second pages (must include any I20s with CPT listed)

Academic Progress Report: Secure signatures from both the Registrar and your I.S. advisor(s).

Copy of the name/photo page of your passport. If the extension of validity of the passport is on another page, be certain that you attach a photocopy of that page as well.

Copy of visa page. Include the visa stamp showing the D/S designation in your copy.

Printout of I-94 document – found at www.cbp.gov/I94

Two color passport-style photographs. Taken within 30 days of filing your OPT application and must conform to the USCIS specifications. You can have the photos taken at *Walmart, Rite Aid, CVS or the BMV*. **Write your name and I-94 number on the back of each photo in black ink pen.**

\$410 fee. Please make your *check, or money order (available at the Lowry Post Office)* payable to U.S. Department of Homeland Security. *(Personal checks must have the account holder's current address printed on them. Please put OPT Processing in memo line of check.)*

New I-20 for OPT – During your appointment, we will do the following: (1.) determine your requested start date for employment (no more than 60 days after the program end date); (2.) submit your employment request into SEVIS; and (3.) print your new I-20. **You will keep the original**, and the copy will be submitted as part of your application. This new I-20 is referred to as your recommendation from ISS.

FORM G-1145 is a request to be notified of your application status via email: <https://www.uscis.gov/g-1145>.

Copies of all previously issued Employment Authorization Documents (EAD cards) (front and back). You would only have an EAD if you previously had been approved for off-campus employment based on OPT or economic hardship.

Mail your completed application in one packet (*Certified with Return Receipt*) **Confirm proper mailing address on USCIS web site** (www.USCIS.gov)

*NOTE: If using overnight delivery by any private service provider, send your package to the proper **overnight** address listed on the USCIS web site.*

Academic Progress Report

TO: Carol Knoble, International Student Coordinator

RE: F-1 Student Optional Practical Training Recommendation

DATE: _____

STUDENT: _____

MAJOR: _____

2nd MAJOR: _____

MINOR (if applicable): _____

The above-named College of Wooster student is preparing the paperwork required for adjudication of post-completion Optional Practical Training (OPT) benefits through the United States Citizenship and Immigration Service (USCIS). Through OPT, an F-1 student can be granted initial work permission in his or her academic field for up to twelve months and a possible additional 24 months for STEM majors.

Your signature below confirms that this student is making sufficient progress in Independent Study and is on track in the current semester to complete their academic program requirements in the above-stated major(s) and minor (if applicable).

I.S. Advisor (1)*: _____
Name Signature Date

(if second major)
I.S. Advisor (2): _____
Name Signature Date

Registrar's Office*: _____
Name Signature Date

** signatures are required.*
