FAN Mail

Ever wonder what happens after you graduate from Wooster?

The Future Alumni Network is a group on campus dedicated to promoting connections between current students and alumni, as well as faculty and key administration. The Future Alumni Network (FAN for short) focuses on Wooster pride, giving back through time and gifts, and an overall understanding of the power of the alumni network. FAN is a great opportunity to network with alumni, get a sense of life after college, and connect with other high achieving students.

Apply to join FAN today!

Do you enjoy event planning? Are you interested in expanding your career interests and connecting with Wooster graduates? The Future Alumni Network is looking for enthusiastic, creative students of all backgrounds and class years to join the team. Apply today! Applications close on October 15.

#Adulting: Eating Well on a Budget

Join The Future Alumni Network on October 18 at 4:00pm for our first virtual #Adulting event. Get advice and learn tips on how to eat well while on a budget from an alumni panel including Grace Gamble ’17, TeQuion Brookins ’12, Sb Loder ’12, and Caitlin Fetters ’09. All attendees will receive a free digital cookbook and one lucky winner will receive a basket of culinary supplies!

The Wooster Fund

Did you know your Wooster experience is partially paid for by alumni? Alumni make gifts to the Wooster Fund to support financial aid, student groups, experiential learning, mentored undergraduate research, and all other areas of campus! They give back because they believe in you and your ability to change the world with your Wooster education.
