SENIOR RESEARCH SYMPOSIUM

Friday, April 23, 2010
9:00 a.m.–4:00 p.m.

The Senior Research Symposium is a campus-wide celebration of Independent Study. Students in the group exhibition will be present in the gallery during the symposium to discuss their art, and art history seniors will present poster sessions in the Burton D. Morgan Gallery.

The Senior Independent Study (I.S.) at The College of Wooster is a year-long project with one-on-one support and guidance by a faculty advisor. For studio art majors, the culmination of this in-depth experience is a one-person exhibition. The *Senior Studio Art Independent Study Group Exhibition* features a selection from each of the senior studio art major's exhibitions.
