Good luck from FAN!

Best of luck on your exams, papers, and projects. You’ve got this! As finals approach, make sure to take care of yourself – get plenty of rest, eat some comfort food, and relax when you need a break from work. We are almost to winter break! Have a great rest of your semester and a fantastic holiday season.

S'mores Roast on December 4!

The Future Alumni Network invites you to roast s'mores at the Pit in honor of #GivingWooDays!

December 4 7:00-9:00pm in the Lowry Pit, come and learn some more about The Wooster Fund while enjoying s'mores!

Every year, the global Wooster community comes together to make a difference for Wooster. Whether it’s a gift for experiential learning, financial aid, or campus life, donors support Wooster by giving to The Wooster Fund on #GivingWooDays.

#GivingWooDays is Wooster’s way of celebrating #GivingTuesday. The Scot community is challenged to come together in support of Wooster through The Wooster Fund.

Read more about the some of the areas Wooster Fund donors give to:
Alumnus Wil Burton ’05 recently received the Randall M. Dana Award of Excellence for his work in the field of clinical and consumer care for people with addictions from the Alcohol Drug and Mental Health Board of Franklin County.
Recently promoted to partner at RCO law, a regional law firm in Toledo, Ohio, Sarah (Fisher) Corney ’06 says her writing abilities led to her legal career, though at Wooster her writing was more creative in nature.

With a degree from Wooster in political science and minors in economics and environmental studies, Rita Frost ’14 dedicated her professional career to the social change that she was encouraged to contemplate during her time at Wooster by advocating for the environment as a campaigner.

It was the opportunity to do serious research that drew Sunny Mitra ’16 from his home in Kolkata, India to Wooster, and that research prepared him to land a position right after graduation as a research associate with the Evidence for Policy Design program at Harvard’s Kennedy School.
