

Reunion Ambassador Job Description 2021-2022

Every five years, each Wooster class celebrates its reunion. The focus of Wooster's reunion program is to encourage as many class members as possible to connect with the college, one another and strengthen their commitment to Wooster through the class gift.

Reunion Ambassadors are the backbone of reunion weekend and are champions of reunion for their class. They help influence programming for Alumni Weekend and take the lead on building attendance and generating enthusiasm during their reunion year.

A successful class reunion is achieved by:

- Engaging and reconnecting alumni with their classmates and the college both throughout the planning process and implementation of reunion.
- Encouraging alumni to reminisce about their time as a student as well as learn about the Wooster of today.
- Educating alumni through intentional programming, highlighting college leadership, current and retired faculty and peers.
- Strengthening alumni philanthropic relationships with Wooster through their class gift.
