

WOOSTER

Alumni & Family Engagement

Alumni Speaker

Summary

The College of Wooster regularly invites alumni to speak or serve as panelists. Some speaking opportunities for alumni include New Student Orientation, Black & Gold Dinners, Lunch & Learns, Moot Court, and in-class speakers throughout the academic year. When there are opportunities for speakers or panels, the College will reach out to see if you are interested in participating, if the topic aligns with your expertise/experience, and if you are available for the event.

Role Description

- Depending on the topic and event, speak about your Wooster experience, career path or experience, or another topic within your area of expertise or lived experience, to benefit students, alumni, family, and/or friends of the College.
- Be in contact with the Office of Alumni & Family Engagement in advance of the event and come prepared for the event. Generally, professional attire is preferred.
- If you are asked anything you do not know the answer to, please do not try to guess. Let the audience member know that you are unsure, but someone from the College can follow up with them, and then let us know what was asked. We do not expect you to be an expert on all things Wooster!

Volunteer Term

Indefinite, but on an as-needed basis. Alumni, students, parents, and friends of the College can volunteer to serve as speakers or panelists. If you volunteer for this role, the College will reach out to you whenever suitable opportunities arise and you can accept or decline to participate.
