The Proposal Transmittal Form must accompany all grant proposals that will be submitted for outside funding. The Principal Investigator/Project Director is responsible for obtaining the appropriate signatures. All proposals from faculty must be received by the Dean for Faculty Development before being submitted to the Provost for approval and signature. Failure to obtain the signature of the Provost or Vice President on the routing form for any grant proposal may result in the Institution's refusal to accept the grant if awarded. The form will not be sent with the proposal, but will be kept on file in the office of the Provost or Vice President.
