

# Looking Beyond Productivity: Camphill Communities and the Question of Living Socially Well

By Leo Edmonds-Doberenz

## Primary Question

Is Camphill a good alternative model for living well socially?

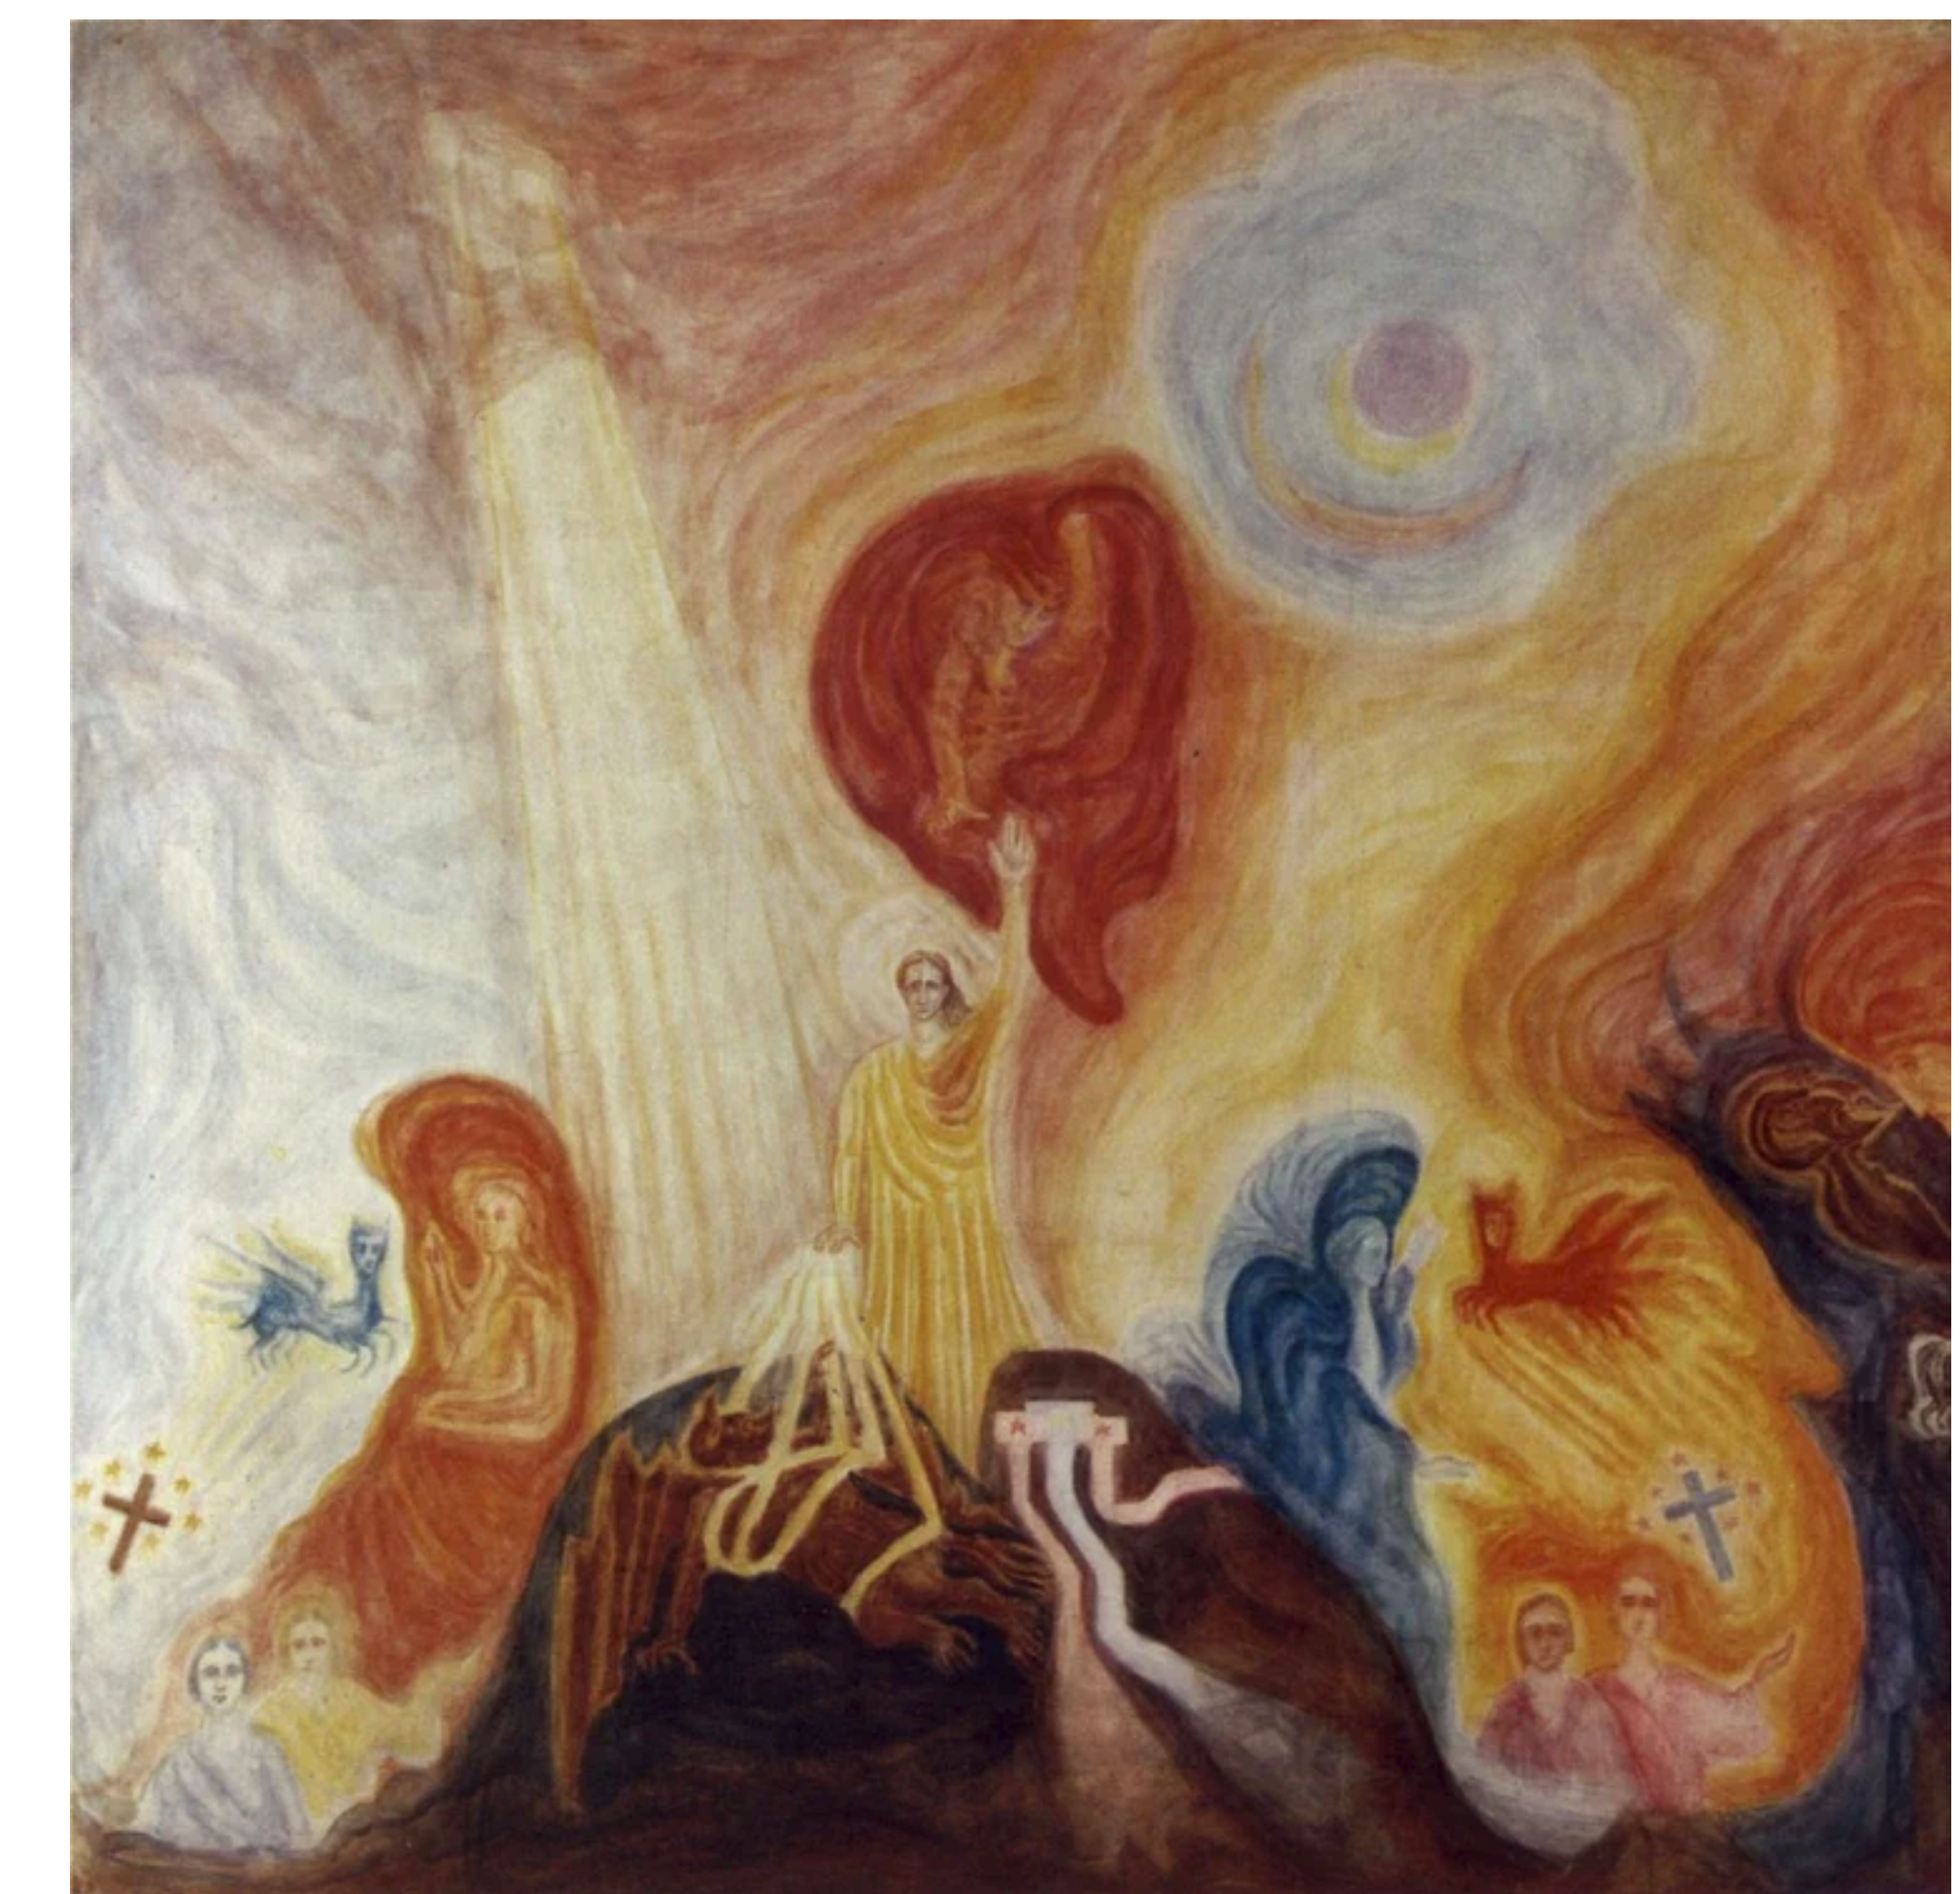

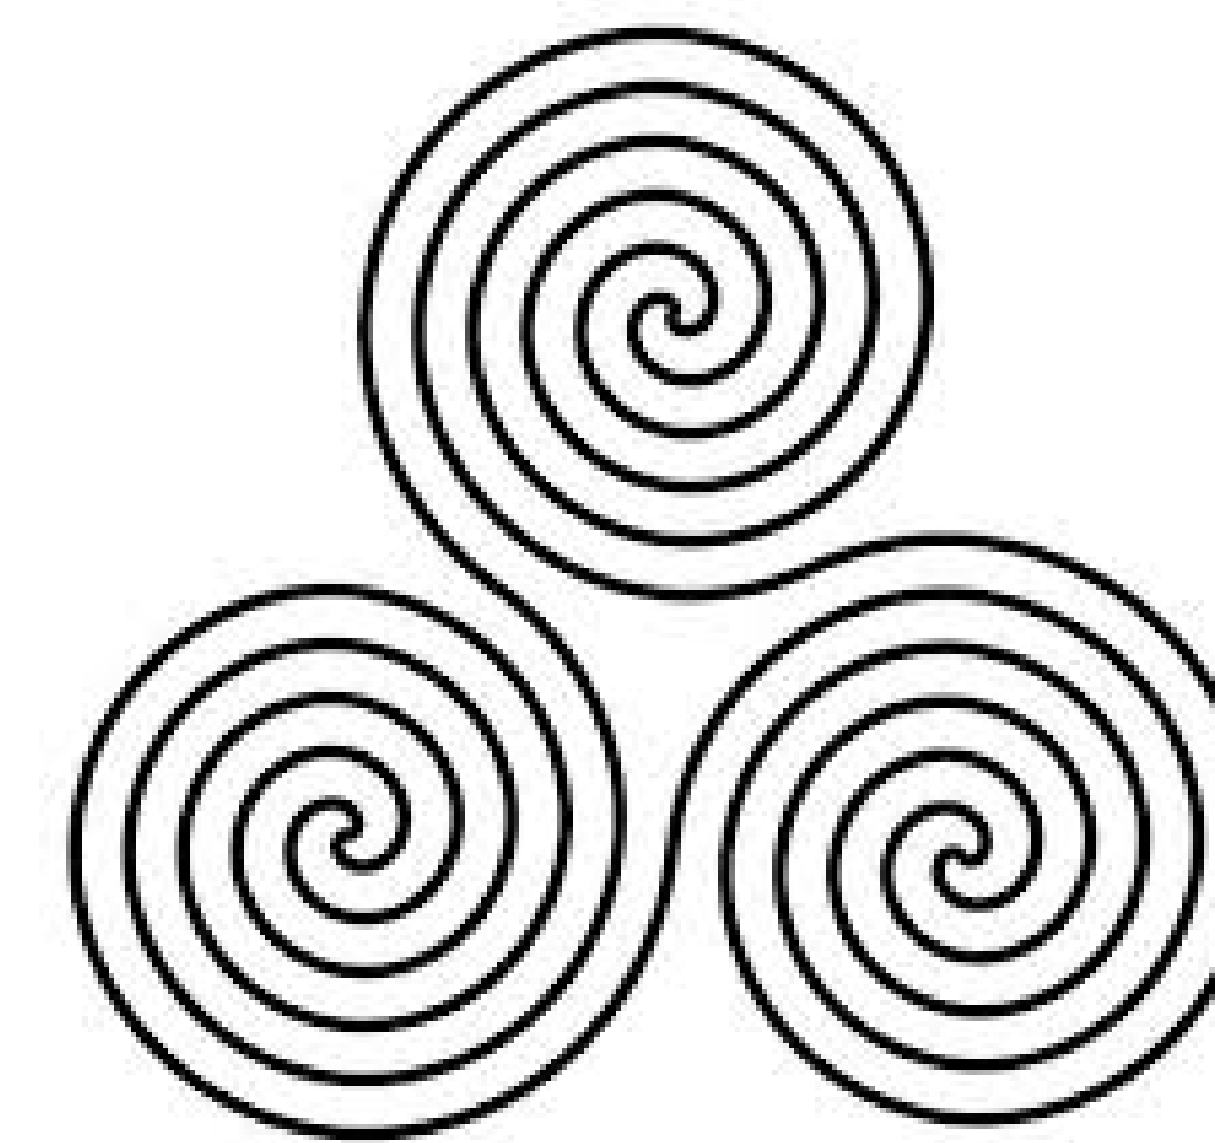

## Methodology:

- Philosophical Comparison
- Historical Analysis
- Ethnographic Reflection

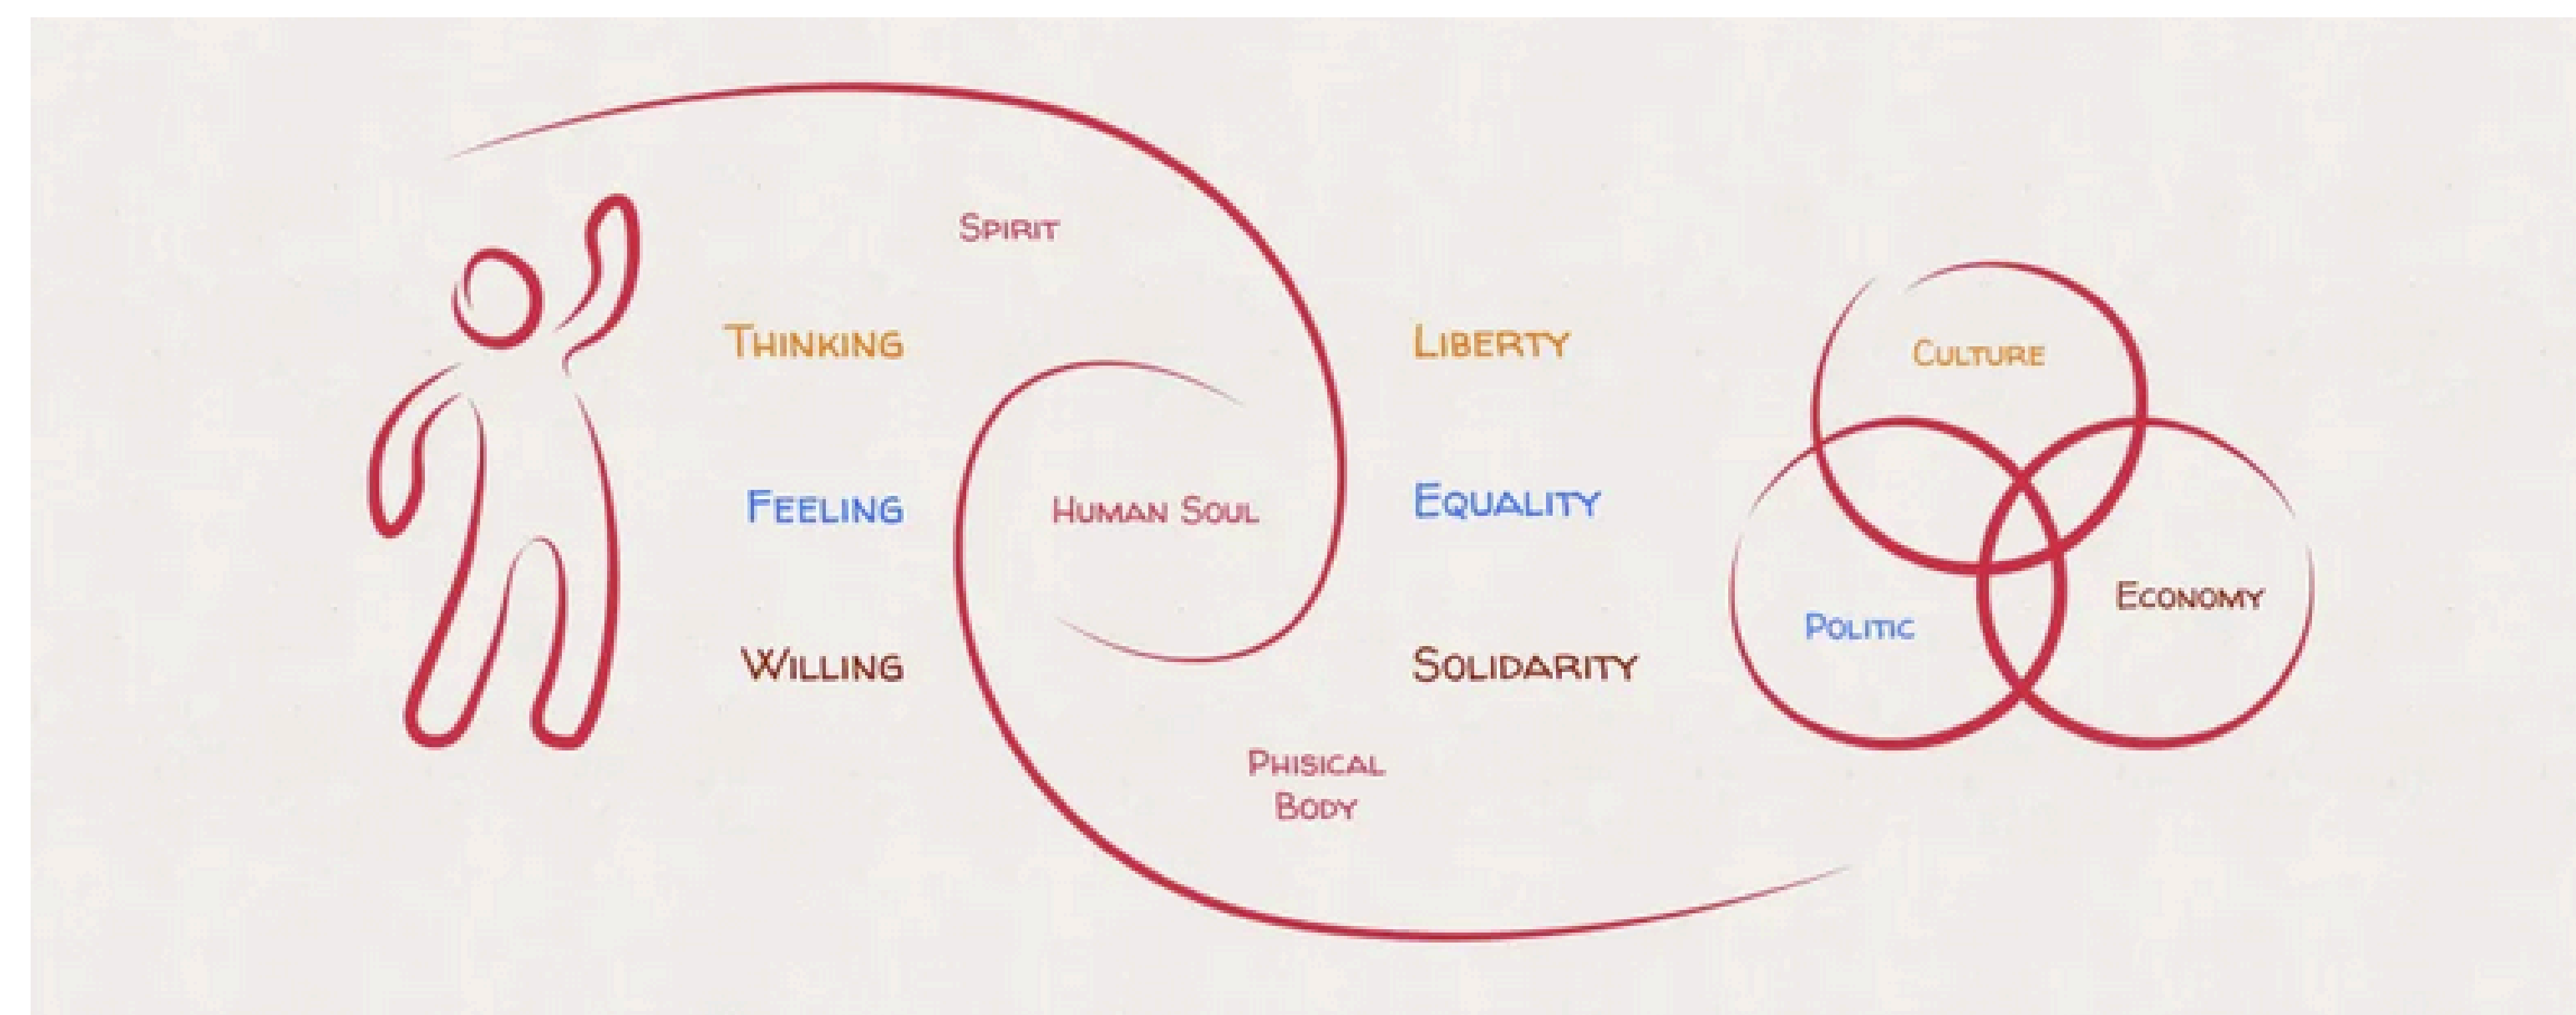

## Key Terms:

- Social Logic
- Anthroposophy
- Intentional Community
- Curative Education

## The Thesis:

Camphill tells us that a Social Flourishing world cannot be exclusive
